Brown Paper Hedgehog

**You will need:**
- a brown piece of paper for the hedgehog body
- light brown or tan paper cut into strips for quills
- a pom-pom for a nose
- a google eye
- scissors & glue

**Directions:**
1. Start by cutting out your hedgehog's body from the brown paper.
2. Glue the pom-pom to one end of the body for a nose.
3. Glue the google eye behind the pom-pom for an eye
4. Glue the light brown/tan strips all over the body
5. Give your hedgehog a name!
