Paper Plate Acorn

You will need:
- a plain white paper plate.
- a brown piece of paper cut into a half circle
- a brown piece of paper cut into a rectangle for a stem
- tan tissue paper cut into squares (about 12)
- scissors & glue

Directions:
1. Glue the brown half circle to the top half of the paper plate.
2. Glue the tissue paper squares to the bottom half of the paper plate.
3. Glue the stem to the top of the acorn on the back side of the plate.
4. Hide your acorn from the squirrels!!
